If you have any questions on how to prepare a Bill of Lading we are happy to assist you. If you are not using a DLS Bill of Lading please prepare your company Bill of Lading as follows to protect your pricing:

**Freight Third Party Bill to: DLS
PO Box 58047
Los Angeles, CA 90058**

Do not mark Bills of Lading **"PREPAID"** or **"COLLECT"** as it overrides the 3rd party billing and voids your discounted rate with DLS. DLS only handles shipments that bill to your company and we do not handle COD shipments.

The Bill of Lading must include the NMFC#, the actual freight class and a proper description of the products.

**Fax the
Signed
Bill of
Lading**

Fax a copy of the signed Bill of Lading to (323) 526-2289

After the driver picks up and signs for the shipment, keep a copy of the Bill of Lading for your records and fax a copy to DLS. This will ensure that our customer service staff can monitor all shipments for timely delivery and will also ensure proper billing to your company.*

*All shipments are subject to DLS Rules Tariff 200
